

**New Therapeutic  
Formula**

## "Total Ocular Function" Oral Absorption Spray

Adjunct Therapy For Conditions Such As:

**Floater, Glaucoma, Dry Eyes,  
Cataract, Macular Degeneration**

Ingestion of nutrients by "Oral Absorption" increases uptake up to 90% vs. 18% for intestinal absorption of tablets\*. **For example, a patient would have to take 60 mg. of Lutein by tablet to equal the amount absorbed by oral spray.** This spray contains the most important and highest quality ingredients for difficult conditions such as: Macular Degeneration, Dry Eyes, Floaters, Glaucoma and Cataract - **Important** - for patients with digestive problems or deficiencies such as reduced beneficial bacteria from antibiotics or those who have difficulty swallowing capsules.
